THE FRIENDSHIP BENCH: you will have noticed the beautiful Friendship Bench installed recently near the entrance to English Martyrs Church. This has been organised by the Friends of East Rugby through the Friendship Bench Charity. The idea originated in Zimbabwe.

The idea is to have a public place where people can meet and get to know each other, talk and support one another. It can be a focus for community activities bringing together old and young members of the community. Obviously the present Coronavirus restrictions work against this aim.

Let's hope in due time it may be an asset in creating community spirit. May it be used to help those feeling isolated and on their own at the moment.

Congratulation and thanks to those involved in the project. We are one of the first communities to benefit from this original idea.

Let us continue to be mindful of the members of our parish communities who may be isolated and feel alone, those who are sick or suffering in mind or body. Let us support them with our prayers and encourage them in any way we can.

We pray for the increasing numbers of people affected by the virus locally and nationally and we pray for those who care for them in our hospitals and other settings.

OUR THANKS to those who have been helping to steward at the Masses at English Martyrs and Sacred Heart. Your help with track and trace, guiding people to their places and cleaning the Church after services has been invaluable. Thank you to all who attend for your cooperation.

Please continue to be mindful of the need of social distancing in and outside Church.

Thank you for your financial support of our Parishes.
