ENGLISH MARTYRS SCHOOL has vacancies for Foundation governors on the Local Governing Body. It is now part of Our Lady of the Magnificat Multi Academy , a family of 17 schools from Warwickshire and Worcestershire who work together to enable the best possible outcomes for all pupils in schools with a distinct Catholic mission and ethos. Governors play an important part in this at the local level while the Board of Directors are accountable legally for the multi-academy. This is an exciting new development in Catholic education . Foundation Governors are appointed by the diocese and must be practising Catholics. A leaflet is available with more information is available. Applications would be welcome from members of both parishes. Please consider whether you might be able to be involved in this important work for the education of our children. Fr Gerry should be able to give further advice.
