PRAYER FOR PEACE : God our Creator and Redeemer, may we see the sorrow of war in the eyes of those who suffer and have known only violence in their lives. Give us a voice for those who have no voice and are not heard; those who know that there is no tomorrow in war, and that the violence of weapons destroys both the beauty of creation and the joy of life. That way with your help, will we become true instruments of your peace. Amen

Pope Francis urges reflection on what lessons can be learned three years after the start of the COVID-19 pandemic. "What new paths should we follow to cast off the shackles of our old habits, to be better prepared, to dare new things? What signs of life and hope can we see to help us move forward and try to make our world a better place?" He feels, "the greatest lesson we learned from COVID-19 is the realisation that we all need one another." +
